NOTE.—The amount actually realised bears but a small proportion to the amount sought to be recovered; but it must be borne in mind that in many cases the defendant, on a levy being made, becomes Insolvent, and any property seized passes to the Official Trustee for the benefit of the Creditors, and consequently no sale by the Sheriff takes place. Many also of these writs of *fieri facias* were for large amounts, the suitors holding mortgages over and being in possession of the property seized, and were merely lodged for the purpose of obtaining the Sheriff's title for the conveyance of the interest—the purchase money being nominal.

Showing an increase in tin ore of 307 tons; a decrease in silver and lead of 993 tons; an increase in coal of 72,599 tons, in copper of 116 tons.

The apparent discrepancy in the quantities and values of the silver from Herberton, Ravenswood, and Burketown Districts may be thus explained—5,347 tons of ore raised in the former district was reduced by smelting to 1,083 tons of lead bullion containing, according to assay, 229,308 ounces of silver, while the 97 tons of ore reported at Ravenswood and 10 tons at Burketown is undressed ore.

GLEN. CAMERON,
Acting Under Secretary for Mines.
